

## JUSTICE & PEACE E-BULLETIN December 2023

Welcome to the e-Bulletin from the Westminster Justice and Peace Commission. Please send Events for inclusion to <a href="mailto:justiceandpeace@rcdow.org.uk">justiceandpeace@rcdow.org.uk</a>. The deadline for the next e-Bulletin is 5 January 2024.

## Fr Dominic Robinson SJ writes:

The ever-moving cycle of the Church's Year starts once more as we hear the message of hope in the light of Christ enveloping our darkened world. It would seem there is much to dampen that hope in these dark days of mid-winter. Everything has been put into perspective by the singularly appalling violence in the land of Christ's birth and could lead us to simply despair.

Yet for the Christian disciple we have a certain hope that God's Kingdom of justice and peace will one day prevail. That must be our heartfelt prayer this Advent.

The Justice and Peace network can lead the way at this time of crisis as we are schooled through the treasure of Catholic Social Teaching in the search for a lasting peace, which is never achieved without justice. The voice of so many advocating for this peace is a vital prophetic voice which, like the great Advent voice of John the Baptist, proclaims the dawning of a new horizon of hope. More

## James Holland writes:

Hello! My name is James, and I have recently taken over from Jon Dal Din as the Coordinator of Westminster Interfaith. I'm delighted to have been appointed and I am very much looking forward to meeting some of you in the coming months.

Before joining Westminster Interfaith, I worked for 3 years as Lay Chaplain at St Charles Catholic Sixth Form College, in North Kensington. My diocesan email is <a href="mailto:jamesholland@rcdow.org.uk">jamesholland@rcdow.org.uk</a> - please do get in touch, even if it is just to say hello!

James Holland Westminster Interfaith Co-ordinator

At time of writing, it is the end of Interfaith Week, and I spent yesterday at a Parliamentary event with the All Faiths Network. Here, the most moving testament to the importance of dialogue was the warmth with which the Muslim representative spoke about the Rabbi, who this year hosted an Iftar in his synagogue.

In a world where we are so often defined in opposition to one another, this subtle embrace was more powerful than any of the other words spoken. As Catholics, we have a role in this conflict, and that is to **pray** for peace and to promote **dialogue**. Echoing the words from our fellow Christians at Evensong, we might pray:

Give peace in our time, O Lord, for there is none other that fights for us, but you, O God. Amen
